FISH TAILS - BONES NOT INCLUDED: AN ANGLER S LOOK AT LIFE (PAPERBACK)

Little Pond Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fish Tails is a humorous love story set amongst rivers and streams, lakes and lagoons and the big, beautiful oceans that surround us here in America. The tale takes you through fifty years of the author s addiction to fishing; from the early days of freshwater bassin to stalking marlin in both the Atlantic and Pacific Oceans. The book chronologically introduces you to the author s early fishing mentor and their times together, and moves on to other friends and family members who have shared in his lifelong journey. It shows how Bradbury not only fell in love with fishing, but how he also developed a love of the outdoors, and a deep respect for conserving our natural resources for the generations that follow. But most of all, it s a great collection of funny stories that the author has chosen to share with us. You ll be hard-pressed not to crack a smile, or even chuckle out loud, at some of the crazy adventures he s had the good fortune to participate in over the years. Everybody s got their own stories, but Bradbury puts his together in an easy-going manner that you re sure to enjoy!.
