

## Charles Carpenter Fries: His Oral Approach for Teaching and Learning Foreign Languages (Paperback)

Filesize: 2.33 MB

### **Reviews**

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. EFL Oral Approach is a digital copy of nine symposium papers presented at the Georgetown University TESOL Convention, July 12, 1985 to reconsider and reevaluate the effect that [Charles Carpenter] Fries had on . teaching and learning foreign languages, particularly English as a Foreign Language at the English Language Institute, University of Michigan, 1940s-1980s. (Papers were originally published in 1989 by Georgetown University Press as Charles Carpenter Fries: His Oral Approach for Teaching and Learning Foreign Languages. ) The symposium goal was to correct common misconceptions (which continue to exist in the literature) that the Oral Approach was audio-lingual (it wasn't, it was aural-oral), behavioristic (no, meaning-based), mimicry-memorization (no, meaning-cued responses), mechanistic (no, communicative), pattern drill (no, pattern practice). Papers were presented in three sections: Setting, Concepts: the Oral Approach in Practice, Methodologies: Materials and Instruction, followed by a Discussion and an Issues and Observations afterward. Symposium participants were: William G. Moulton, Edward M. Anthony, Peter H. Fries, William E. Norris; Betty Wallace Robinett, Frederick J. Bosco, Jeris E. Strain; Joan Morley, Joyce Gilmour Zuck. Discussion was by F. J. Bosco and Diane Larsen-Freeman; Issues and Observations were by J. E. Strain.
