Introductory Chemistry: Atoms First, Books a la Carte Edition

By Steve Russo

Pearson, 2014. Loose-leaf. Condition: New. 5th ed.. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. NOTE: This edition features the exact same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value for your students-this format costs 35 less than a new textbook. Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. xxxxxxxxxxxxxxxxxxxx Carrying through an atoms-first approach from the first four editions, and helping you focus on mastering the quantitative skills and conceptual knowledge you need to get a true understanding of chemistry, Russo and Silber's Introductory Chemistry, Fifth Edition continues the tradition of relevance that makes it so effective. Now including MasteringChemistry(R), the leading online homework, tutorial, and assessment product with a demonstrated...

Reviews

It is one of the most popular ebooks. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which really altered me, change the way I believe.

-- Sigrid Brown

Absolutely one of the best pdfs we have ever read. I really could comprehend every little thing using this written ebook. I am easily could get a satisfaction of reading a written publication.

-- Dr. Odie Hamill
