Angela Moore and her Brother Colby were foolish enough to ask for help. They didn't know that they were making the worst mistake of their life. Jewel was playing them all along and now she had all of them and enough leverage against their father to make him do practically anything they wanted. Her partner is a little bit more aggressive and has taken some liberties with Brody's well being. He likes to inflict pain and now he has an audience to show all of them that he's serious and that they shouldn't take him lightly. They will have to work together to find a way out and to somehow bring these people to justice.
