Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Almost half of this book, Stolen Hope and Stolen Dreams, is dedicated to explaining power and politics in Guyana especially since independence. This country is now the third poorest nation in Latin America behind Haiti and Nicaragua. This book explains how this came about and who were the major architects of this disaster. A large portion of the country's population has left the place depleting the nation's most critical and important resource which is its human capital. Many Guyanese in the diaspora still have relatives, friends, acquaintances, and other needy folks, etc. in the country who they are supporting via remittances and they are concerned about the state of affairs in the nation. When people visit the land of their birth, they are troubled by, and fearful of, the high crime rate in the country. This is discouraging visitors to the nation. When people don't travel there and spend money, it is further depressing an already poor economy. Things are getting real hard in the nation. Almost one-third of the population live in poverty and it is tough to eke out a living in the country. The sad part about this whole thing is that people are not optimistic about the future. That is why this book is titled: Stolen Hope and Stolen Dreams. People are just not hopeful that things are going to get better. Bad politics and poor governance have contributed mightily to the beggaring and pauperization of this once thriving country which a Guyanese writer once described as a tropical paradise. How did Guyana went from a tropical paradise to being a place from which everybody there wants to leave? Guyana's post-independence politicians are the...
