

The Revolutionary History of Fort Number Eight on Morris Heights, New York City (Paperback)

By John Christopher Schwab

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Under the title The Revolutionary History of Fort Number Eight, on Morris Heights, New York City, Professor John C. Schwab has privately printed a narrative of the military events of the Revolutionary war on Manhattan Island and in Westchester County, with especial reference to the relation of those transactions to the fortification named, in which local attachments give him special interest. The narrative is carefully constructed out of general materials on the one hand and on the other hand those of a local and private nature; and is illustrated by a map. A brief history of the manor of Fordham precedes. The amount of matter directly relating to Fort Number Eight is not large. --The American Historical Review, Vol. 3.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
