Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
(Rene Olson)

REGIMEN SANITATIS, THE RULE OF HEALTH: A GAELIC MEDICAL MANUSCRIPT OF THE EARLY SIXTEENTH CENTURY OR PERHAPS OLDER, FROM THE VADE MECUM OF THE FAMOUS MACBEATHS, PHYSICIANS TO THE LORDS OF THE ISLES

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Regimen Sanitatis, the Rule of Health: A Gaelic Medical Manuscript of the Early Sixteenth Century or Perhaps Older, From the Vade Mecum of the Famous Macbeaths, Physicians to the Lords of the Isles and the Kings of Scotland for Several Centuries This is the first definite effort to restore our old Gaelic Medical Manuscripts which have lain unknown for so many centuries. From the national-historical point of view the d104 is very interesting, while from the medical-historical it is even more so, and from the scholar s point it must be of distinct importance. I have tried to keep my eyes open in these three directions. I have been impelled to endeavour to do this work from a strong feeling that it ought to be done - that it was indeed, for long years, calling to be done. My instinctive devotion to my native language and the exceptional combination, with that, of my Medical training and my very big experience, seemed to make the call imperative that I should undertake the work, for this necessary combination in the life of one person does not occur very often. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
