I M NOT IN CONTROL: COPING WITH ALZHEIMER S DISEASE

iUniverse, United States, 2007. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.This is our story. My strong, independent mother was diagnosed with Alzheimer s disease. This is about how our lives changed and how I personally changed to care for our needs. It tells of the various struggles that we faced along the way. The role of a child caring for an elderly parent will be happening more and more in the years to come. People are living longer and their chance of getting Alzheimer s disease increases the older they get. I wrote this book in hopes of helping other caregivers cope with the whole situation. Through the reading of my story, I hope you will find comfort, guidance, and an understanding of the journey you will be undertaking. Everyone needs to know what Alzheimer s disease is. It is so much more than just forgetting where you put your keys or forgetting someone s name. It s not just normal aging. The diagnosis of this disease is a death sentence. The world needs to become more aware of this horrible illness and what it encompasses.
