

A Family Haunted

By Mike Aguilera

Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm.

Language: English . Brand New Book ***** Print on Demand *****.Being a motivational speaker for fourteen years has taught me that a most effective way to reach your audience is through down to earth story telling. Nothing is more memorable as said story being true. All my life my siblings and I have swapped both true and fictional accounts that molded and shaped our morals, standards and spiritual beliefs. This book is a collection of ghost stories, tragedies and historical accounts of violence and physical abuse. Many of these stories were shared late at night in a lonely Victorian ranch house, cheers.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
