Global Joseph Project tells us, in five chapters, that as we factor God Almighty into global economic cause and effect so do we become aware of these three economic truths about the past, present and future conditions and circumstances of any market economy of the globe as follows: As any market economy is obliged by its elitist sovereignty debt unit of economic measurement to obey the usury and ceaseless-taking market laws of Mammon, so will the ethical vices of greed and avarice bring about such a growing imbalance in the distribution of economic opportunities of jobs, goods and services among its people that would inevitably lead it to keel over in tears, strife and war. But, as any market economy is obliged by its popular sovereignty equity unit of economic measurement to obey the charity and ceaseless-giving market laws of Jesus, so will the ethical virtues of care and compassion bring about such a growing balancing-out and de-concentration in the distribution of the economic opportunities of jobs, goods and services among its people that would lead it to flow with the joy, bonhomie and peace of social and material plenty. And, since God Almighty is the Master of Time and History, and since Jesus has reconciled man, in all materials particular, with God Almighty and with man as well, then any market economy of the globe will, with time, transit inevitably from its current harsh era of the want and strife of Mammons economics of sin to the emerging and soothing era of the Jesus economics of grace. And this is what explains the current and intractable global financial meltdown. Global capitalism has knocked engine completely. And global...
