Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. Workbook. 280 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This fourth edition of the Math Workbook for Middle School and High School Entrance Exams has been overhauled from the third edition to reflect the most up-to-date knowledge of the private school admissions exams, as well as to incorporate new insights gleaned by our experts as they used the second edition to prepare students for these exams. Here are some new features you will find in the fourth edition: A more logical progression and classification of concepts, exercises, and questions Over 20 new practice sets throughout the book Inclusion of more high value material that is likely to show up on the exams A more Lower Level-friendly interface, including 8th Grade Only notations in the table of contents and new basic practice sets to introduce 5th grade students to complex concepts such as percentages, exponents, and geometry New advanced concepts exclusively for upper level students Cumulative review benchmark skills tests throughout the book to help students judge their level of mastery in each concept Stylistic upgrades that increase the navigational functionality of the book A consolidated reference section at the beginning of the book, featuring a new unit conversion chart The philosophy of this math workbook is rigor and drill. Because this is the first test students take that actively tries to trick them at every turn, those who sit for these exams need reflexive familiarity with computation (math facts), problem types, and strategy. The entrance exams are the first standardized tests for which budgeting time is a significant issue. Students need to spend the majority of time on analysis to avoid getting tricked rather than computation. By building skills, speed, and confidence, we...
