That s a picturesque old place, said a lady on the back seat of the big wagon in which Hiram Swift was taking his summer boarders to drive. They were passing a low, wide farmhouse, gray from want of paint, with a shabby barn and sheds attached, all overarched by tall elms. The narrow hay-field and the vegetable-patch ended in a rocky hillside, with its steep ledges, overgrown and topped with tall pines and firs, which made a dense green background to the old buildings. I don t know about its being like a picter, said Hiram, dryly, as he flicked away a fly from the shoulder of his horse, but it isn t much by way of a farm. That bit of hay-field is about all the land there is that s worth anything; the rest is all rock. I guess the Widow Gale doesn t take much comfort in its bein picturesque. She d be glad enough to have the land made flat, if she could.
