Naomi Vleck lives with her farming family in an Amish community in Pennsylvania. The Amish first came to Pennsylvania in the early 1700s, and to this day preserve a religious and plain life-style. As part of her household chores, Naomi looks after the chickens with her little sister, Ruth. One day Naomi and Ruth find an abandoned egg near the road. This is no ordinary chicken egg, though. In fact, surrounded by the simplicity and austerity of their Amish ways, this egg is almost fancy. Naomi decides this special egg must be hatched. And when it is, it s plain to see that this is no ordinary chick! The girls manage to keep the chick, dubbed Fancy, a secret. until the day of the Vlecks frolic, or community working bee. On this day, Naomi is to receive a white organdy cap, a family tradition, as a reward for her hard work and responsibility. But on this day, too, Fancy decides to introduce himself to the community. The results are a sheer delight, pure and simple. Patricia Polacco s passion has taken her into the heart of Amish country in search of a story. In this unabridged reading of her award-winning book, her lively voice, accompanied by her beautiful artwork carry this story of discovery and growing up into the hearts of all who listen and turn its pages.
