NEUROLOGY FOR THE HOSPITALIST: A PRACTICAL APPROACH (PAPERBACK)

Oxford University Press Inc, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Neurology for the Hospitalist is a concise and eminently practical resource for inpatient neurological care. Internal Medicine Hospitalists frequently face patients with neurological issues and many feel that their training was insufficient in this area. Hospitalists are often the primary inpatient care providers for this patient population as many perceive Neurology to be an Internal Medicine subspecialty. Both new and experienced hospitalists will benefit...
