She Writes Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. One day a teenage boy gets on his bike and rides forty miles up California s Pacific Coast Highway to avoid causing an earthquake he fears will endanger his mother and sister. But the quake he is experiencing is not coming from beneath the earth; it s the onset of bipolar illness. Blinded by Hope describes what it s like to have an unusually bright, creative child--and then to have that child suddenly be hit with an illness that defies description and cure. Over the years, McGuire attributes her son s lost jobs, broken relationships, legal troubles, and periodic hospitalizations to the manic phase of his illness, denying the severity of his growing drug use--but ultimately, she has to face her own addiction to rescuing him, and to forge a path for herself toward acceptance, resilience, and love. A wakeup call about the epidemic of mental illness, substance abuse, and mass incarceration in our society, Blinded by Hope shines a light on the shadow of family dynamics that shame, ignorance, and stigma rarely let the public see, and asks the question: How does a mother cope when love is not enough?.
