Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The objective of this book is to spread the good news, the message of hope and love, in a way that people will take notice of both sides, as with the need for every story, and perhaps for the first time, become desirous for truth over fiction, falsehood and mythology that is running rampant in our anything-goes culture. There is much more at stake when we choose to believe in something. We must take eternity for example, more seriously. When we close our eyes for the last time what happens to us? Is there such a person and place as St. Peter at heavens pearly gates? - Or the devil with the red face, two horns and a pitch fork? I m being somewhat facetious here, but also very real. All religions, including Jehovah s Witnesses, Mormonism, New Age, Islam, Buddhism, Judaism or Christianity, for example, proclaim, We are the way. So who s right? Is there more than one way to heaven? Should we not justify these beliefs by considering the proof or factual evidence available in support of what is proclaimed as being true? Are facts no longer relevant? How do we know man is not the author of our belief system, or whether or not the text is God inspired? Is there archaeological evidence in support of the books being referenced and professed as true? Is there evidence in support of divinity, versus man playing god? Should we be considering the definition of idolatry prior to placing our eternal soul and trust in something or someone? Is there anything that separates the scriptural writings in which we believe to be true, from countless other faiths, such as how...
