# Common Stocks and Common Sense: The Strategies, Analyses, Decisions, and Emotions of a Particularly Successful Value Investor (Hardback)

By Edgar Wachenheim

John Wiley Sons Inc, United States, 2016. Hardback. Condition: New. 1. Auflage. Language: English . Brand New Book. Deep insight and candid discussion from one of Wall Street s best investors Common Stocks and Common Sense provides detailed insight into common stock investing, using a case-study approach based on real-world investments. Author Edgar Wachenheim is the 28-year CEO of Greenhaven Associates, boasting an average annual portfolio comparable to Warren Buffet s. In this book, he shares his knowledge and experiences by providing detailed analyses of actual investments made by himself and other investors. The discussion covers the entire investment process, including the softer, human side, with candid insight into the joys and frustrations, intensities and pressures, and risks and uncertainties. The unique emphasis on behavioral economics and real-world cases set this book apart from the herd but it s Wachenheim himself and his deeply-examined perspective that elevates the book beyond a mere investing guide. Between 1990 and 2014, a typical portfolio managed by Wachenheim enjoyed an average annual return in excess of 18 , achieved using relatively conservative stocks and no financial leverage. As a proponent of evidence and example, his analysis of real cases serve as a valuable education...

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.
-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
