

The Man in the Gray Flannel Suit (Paperback)

By Jonathan Franzen, Sloan Wilson

Avalon Publishing Group, United States, 2002. Paperback. Condition: New. 4th ed.. Language: English . Brand New Book. Universally acclaimed when first published in 1955, *The Man in the Gray Flannel Suit* captured the mood of a generation. Its title, like *Catch-22* and *Fahrenheit 451*, has become a part of America's cultural vocabulary. Tom Rath doesn't want anything extraordinary out of life: just a decent home, enough money to support his family, and a career that won't crush his spirit. After returning from World War II, he takes a PR job at a television network. It is inane, dehumanizing work. But when a series of personal crises force him to reexamine his priorities, and take responsibility for his past, he is finally moved to carve out an identity for himself. This is Sloan Wilson's searing indictment of a society that had just begun to lose touch with its citizens. *The Man in the Gray Flannel Suit* is a classic of American literature and the basis of the award-winning film starring Gregory Peck. A consequential novel. , *Saturday Review*.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
