

The Divorce Prevention Handbook: A Practical Guide for Saving Marriages (Paperback)

Filesize: 1.19 MB

Reviews

It is one of the best books. Indeed, it really is a gem, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sofia Yundt)

THE DIVORCE PREVENTION HANDBOOK: A PRACTICAL GUIDE FOR SAVING MARRIAGES (PAPERBACK)**DOWNLOAD**

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Marital conflict is rarely about differences in the marriage; it is more often a matter of how couples choose to resolve these differences. When couples have difficulty discussing day-to-day issues, disagreements transform into arguments that lead couples to develop patterns of interrupting, blaming, and criticizing. Though couples may not even be aware they're doing it, this negativity and hostility can turn into hopelessness and despair. Emotional intimacy can rarely grow in a relationship stymied by conflict. Author Richard Rein, Ph.D., has developed an effective approach that moves couples on the brink of divorce toward fulfilling relationships. Dr. Rein has translated more than twenty years of theory and practice in psychology and couples work into a practical relationship guide that provides crucial advice for at-risk couples. Through careful attention to the details of interactions, Dr. Rein explores a new way for couples to regain a close relationship by showing them how to talk about anything without falling into old patterns of criticism and blame. He demonstrates how couples can tackle challenging topics such as money, chores, intimacy, and parenting. Concise and easy to read, The Divorce Prevention Handbook provides a clear blueprint for achieving a stronger, healthier marriage.
