

Life of Napoleon Bonaparte (Volume II) (Paperback)

By Sir Walter Scott

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Scott presents a dispassionate, unpartisan view of Napoleon, paying tribute to his military genius and administrative skill and underlining his legacy to France in the form of a national system of education, greatly improved communications, and the Code Napoleon. Refusing to paint him as the bloodthirsty despot presented by many a fellow Tory, Scott notes his mild and humane temperament and genuine love of his country. The seeds of his downfall lie in his progressive self-identification with the French people and in his vision of himself as the man on whom the nation s destiny rested. His life ultimately becomes a tale of hubris, where overweening ambition and self-blinding egotism lead to defeat in the Russian snows.
