Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The madman turned all his attention to the youth, who, standing at the rail of the derelict ship, was unaware of his extreme danger. Like a beast of prey the older man crept stealthily toward his intended victim. In a remote European kingdom, plotters had moved toward the murder of an old king and his young heir, Michael. But the lad escaped, and, through a series of the chilling, heart stopping adventures only Edgar Rice Burroughs could have written, finds himself on the shores of Africa, his only friend and protector a giant feral cat. Then, one day, Michael and his loyal friend find themselves face to face with the deadliest enemy of all. Edgar Rice Burroughs is one of the world s most popular authors. With no previous experience as an author, he wrote and sold his first novel- A Princess of Mars -in 1912. In the ensuing thirty-eight years until his death in 1950, Burroughs wrote ninety-one books and a host of short stories and articles. Although best known as the creator of the classic Tarzan of the Apes and John Carter of Mars, his restless imagination knew few bounds. Burroughs s prolific pen ranged from the American West to primitive Africa and on to romantic adventure on the moon, the planets, and even beyond the farthest star.
