Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. So many of us live our life as if we re less than deserving of what we have. There are times when we get cynical about receiving a pay grade bump or getting hired for a great job. At other times, we beat ourselves up over lost job opportunities or overlooked relationships. Some of us manage to get out of the rut while others find themselves stuck in a loop of low self-esteem and no confidence. Self-Esteem Supercharger is a book designed to help you improve your self-confidence and boost your self worth. It will help you know the ins and outs of self-esteem - giving you the understanding you need on why you feel the way you do, why you re stuck in the same loop and why you can t seem to catch a break in life. It all starts with improving your self-esteem. Learn how to master this and inject a boost in your inner confidence through this book. ABOUT SMART READS Smart Reads exists to provide you with the highest quality information in the least amount of time. Our team of professional writers work with experts on given topics to give you the content that matters quickly. Our books are short, easy-to-read and highly informative so you get important information right away. We also pay it forward by donating 5 of our profit to Pencils of Promise to help build schools, train teachers and support child education. Choose Smart Reads and get smart in less time.
