## HEART S REFLECTIONS: THOUGHTS INSIGHTS

Joshua Tree Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In October 2012 while waiting for my husband, I was sitting reading a book. Something told me to put the book away, get out a pen and pad, and write. I got out the paper and thought, write what? I just started to write and what you see in the first poem called Reflections was the result. It is exactly the way I wrote it that day. After that I couldn't stop writing. I needed my pad and pen everywhere I went. Two pages were written walking around in Costco. My husband bought me a light to wear around my neck so I could write in the car at night. Every word on these pages comes right from my heart, and I hope my words touch your heart. I believe these pages were written to help people at a time when our world has become a scary, rapidly changing place. As you read this book, it makes you feel better about yourself and more in control of your life in a world that often feels out of control.
