Grave Distractions Publications, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Normally, when seniors settle into Cedar Branch Retirement Community, they begin a simpler and slower pace of living. Not this group! For Jack Goslin, Karl and Betty Rutherford, and the Stevens Sisters, nothing is simple or slower after moving into the number-one retirement community in the South. As a neighboring resort battles over the beach property, our eccentric group of seniors wages war on its uptight and controlling manager, and given the green light for residents to enjoy private golf carts-well, things just get even crazier for Cedar Branch manager Derrick St. Clair. From the new, exotic fitness instructor to Violet s secret winery, Jack s pimped-out golf cart, and a host of other new issues for its director, CBC continues to build a reputation as the most interesting retirement community in the South. If you are looking for a place to retire, settle down, or witness bizarre fiascos, stop by Cedar Branch. Who knows-you just might make it home!.
