In this interpretation of Aesop's fable, a mouse, in colorful attire suitable for a night on the town, finds herself trapped by a caged lion in a city zoo. The mouse begs to be released and promises to help the lion one day. The lion is skeptical but releases her nonetheless. Later that night, the mouse returns with mouse friends--as spiffily attired as she herself--and together they unlock the lion's cage and prove that little mice can be big friends.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
