Forgotten Books, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Revue du Monde Catholique, Vol. 109: Recueil Scientifique, Historique Et Litteraire Pour confondre M. Renan et la bande de complices qui deja ten dait a se grouper autour de lui, M. Nicolas n eut qu a relire cer tains chapitres des Etudes, a leur donner des developpements nouveaux, a faire une lumineuse et ferme application des principes deja proclames, a l encontre des theories exegetiques de la nouvelle ecole. C est ce qu il entreprit avec succes dans les trois volumes dont nous avons enonce les titres. Le vaillant champion ne pouvait demeurer inactif et silencieux devant cette attaque a tout ce qu il aimait et venerait le plus au monde. Il se sentit atteint dans sa raison autant que dans sa foi. Saisissant sa plume, j allais dire son epee, il marcha droit a l ennemi. L ennemi, c etait cet esprit ondoyant, fugitif, qui se fait un jeu du mensonge et de la verite, prend plaisir a demontrer l identite des contraires, a se moquer du lecteur et parfois de lui-meme. Les habiletes et les ruses de sa sophistique sont depuis longtemps percees a jour. Il serait inutile de repeter ce que moi-meme j en ai dit ailleurs. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
