Bloomsbury Publishing PLC, United Kingdom, 2017. Paperback. Condition: New. Thierry Lafontaine (illustrator). Language: English . Brand New Book. It s Friday the 13th again, and for sixth grade genius Nate Bannister, that means doing three more not-so-smart things to keep life interesting. But he has bigger problems than his own experiments. His nemesis, the Red Death Tea Society, is threatening to unleash a swarm of angry bees on the city of Polt if Nate doesn t join their ranks. But then a new group of people with murky intentions shows up -- the League of Ostracized Fellows -- and they want Nate as their own, too. To top it off, he s convinced there s a spy in his very own school. Nate must once again team up with his new, resourceful, friend Delphine to save the day. They ll need the help of Nate s crazy gadgets, such as his talking car Betsy and super-powered pets Bosper the Scottish terrier and Sir William the gull, if they hope to see another Friday the 13th. Because they might be battling more than just sting-happy bees and villains with a penchant for tea this time around. Awards for Bandette Winner, Eisner Award for Best Digital Comic Winter, IndieFab Award - Bronze, Graphic Novels Comics.
