LATERAL THINKING: EXERCISES AND RESEARCH TOPICS (PAPERBACK)

Trafford Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Apply your intellect to the exercises found in this unique text. The problems in science, history, political science, linguistics, mathematics, social theory, and philosophy are designed for readers who are able to look beyond the seemingly obvious for answers. Although this text is applicable to a wide-ranging readership, one suggested application would be in the sphere of higher education, where it could be used to help students develop lateral thinking skills. The text also provides suggested research topics to further advance these skills. All readers will improve their creativity and gain a broader, more enriched world view.
