Inner Traditions Bear and Company, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. A working guide on how to find love and sexual fulfillment by working with the lwa, the spirits of Haitian Vodou - The first book on wanga (love magic) by an actual Vodou initiate - Provides spells and spirit work for many different problems associated with affairs of the heart - Spells included are detailed and easy to follow Haitian Vodou, like other folk traditions, is an eminently practical craft. Vodou practitioners see their relationship with the lwa--the spirits honored in Haitian Vodou--as mutually beneficial rather than one-sided. In return for sincere offerings, the lwa are happy to provide protection and support in dealing with life's problems--which more often than not concern love. In Vodou Love Magic, Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships--and who will likely offer the best wisdom for your needs. If you are having trouble meeting people, Legba's Opening the Door spell can resolve this difficulty. If you wish more fire in a relationship, then you should work with the warrior spirit Papa Ogou. Filan presents easy-to-follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships, toxic behavior patterns like codependency, or romantic triangles. Vodou Love Magic does not provide a magic genie who will fulfill every wish, but it does offer access to a team of spirits who can help transform dreams into realities.
