The author has published in Christian periodicals on the subject of Medicine and the Scriptures and authored two prior books: *The Twelve Generations of the Creation with Biblical Guidelines from Adam to Christ* and *The Mystery Revealed on Genesis and Revelation*, respectively. He has taught Bible studies for more than five decades. In order to better understand the Bible, he has studied Hebrew and Greek. During his medical career, the author has studied internal medicine, geriatrics, and infectious diseases and been credentialed in these fields. He has published in scientific journals in the discipline of infectious diseases. He has held several administrative positions at an executive level. He is a former Dean of a Christian medical school. His medical fellowships include the American College of Physicians, the American College of Physician Executives, and the American College...
