

I've Got to Make It to the Other Side (Surviving a Massive Stroke) My Journey (Paperback)

By Rodney Stalks

Page Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. On December 24, 2000, Rodney McGwinn Stalks Sr. suffered a massive stroke while delivering Christmas baskets to families in need after Sunday morning service. Fortunately, he was driven directly to the hospital by close friends (with whom he was living). Rodney was not expected to pull through. As a matter of fact, his doctor told his mother that if he did live, he would never walk or speak again! Sixteen years later, he has been inspired to share his experience in the form of this book! He has got to make it to the other side (surviving a massive stroke). His journey will inspire and uplift anyone, but the emphasis in this book is placed on those who have suffered from strokes, which in most cases will leave the person incapacitated in one form or another. You will laugh, you will cry, as Rodney guides you through every aspect of his journey. No stone is left unturned. The story chronicles three months before the stroke occurred, the thirty-one days of being in the ICU (intensive care unit) during the stroke, the emotional...

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
