iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Drawing from his personal experience as a young man affiliated with gangs and as a pastor later in life, author Leonard C. Jerkins asserts that it s time to change how we worship and praise God and congregate as a church. According to Jerkins, there is more unity on the streets than in today s churches. Instead of fighting sin, he maintains, we fight each other-we fight about our differences in traditions, our opinions about God s word, and our denominations. In the triumphant and motivating **Gang Violence in the Church**, Jerkins uses his life-changing personal-success story as a starting place for teaching others in need of spiritual guidance how to stop fighting and start living a healthier and more fulfilling lifestyle through a genuine belief in and devotion to God. **Gang Violence in the Church** challenges our beliefs and asks us to question whether we truly seek the truth concerning God s word or just look for what we want his words to say. With Jerkins honest and powerful teachings, everyone can find a rightful and righteous path to God with the purpose of improving ourselves and our communities.
