ECONOMICS FOR EXECUTIVES: PRINCIPLES, PRACTICES STRATEGIES (HARDBACK)

North American Business Press, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Often, economics is regarded as a collection of notional theories distanced far from the real world. Yet, economists maintain that theories are the foundation for predictions about what to expect in the real world. The disconnection seems particularly strong among undergraduate students immediately after taking principles of microeconomics and principles of macroeconomics. As freshman and sophomore students with no experience with...
