Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Bible teaches that every spirit which isn t from God denies that Jesus has come in the flesh, and is an antichrist spirit. All orthodox Christians acknowledge that Jesus came as a man, with a human body. However, it s easy to mentally acknowledge a truth but deny its implications. We can say something is true, yet actually think and act as if it isn t. The gospel is the power of God unto salvation. If what we believe isn t producing power, we should consider how well we really understand the gospel. There are whole systems of thought within Christianity which can be traced back to the teachings of the Gnostics, who denied that Jesus had come in a human body. Such teachings have crippled the church, resulting in powerlessness and a failure to manifest Christ s nature of love. The lies of an antichrist spirit are not only behind powerlessness in the church. They are also at the root of sexual immorality and every major problem in our societies, including violent crime, drug addiction, health problems, poverty, and more. The healing ministry demonstrates every truth that the incarnation implies. It demonstrates that Jesus has come in the flesh, and it strikes at the root of every problem in our societies today. Have you wondered why there s so much sexual immorality in the church, and why the church has failed to transform society? Do you want to see the earth around you become like heaven? Jesus Has Come In The Flesh will illuminate your understanding of the incarnation and teach you to really act and think according to its truth. Recognize the lies of an antichrist spirit...
