THE NORTHERN TOURIST, VOL. 2: AN ILLUSTRATED BOOK OF SUMMER TRAVEL (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Northern Tourist, Vol. 2: An Illustrated Book of Summer Travel The writer in his many journeyings over the routes described in the Northern Tourist, has felt the need of some work that should properly call public attention to the many attractive places to the Northward that might be visited by the tourist whose time was limited to two or three weeks, and accomplished at a comparatively small expense. Merely giving the routes of travel by which the places noticed and illustrated are reached, everything else of the guide-book character has been omitted, as small railroad guides will always be used for that purpose. It is believed that its copious illustration and chatty, easy description of the places enumerated will give the Tourist a permanent place with the travelling public. Ameden of Queensbury, Warren County, New York, contributed the poem in reference to Hermit s Island, which we are sure will be well appreciated. The Round Trip to the Adirondacks was furnished by Dr. George F. Bixbv, the accomplished editor of the Plaitsburg Republican, a member of the Tahawas Club, who is perhaps more conversant with the region than any other person, and whose facile pen vividly presents it to our readers. We are also indebted to him for the admirable account of his visit to, Howe s Cave in an editorial letter written to his paper in 1876. C. P. McCalla, Esq., the editor of the Keystone, Philadelphia, furnished us with the White Face Mountain letter,...
