

Its Not the End of the World

By Judy Blume

Atheneum Books for Young Readers. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 7.6in. x 5.2in. x 0.9in. Can Karen keep her parents from getting a divorce? This classic novel from Judy Blume has a fresh new look. Karen couldn't tell Mrs. Singer why she had to take her Viking diorama out of the sixth-grade showcase. She felt like yelling, 'To keep my parents from getting divorced!' But she couldn't say it, and the whole class was looking at her anyway. Karen's world was ending. Her father had moved out of the house weeks before; now he was going to Las Vegas to get divorced, and her mother was pleased! She had only a few days to get the two of them together in the same room. Maybe, if she could, they would just forget about the divorce. Then the Newman family could be its old self again, maybe. But Karen knew something she didn't know last winter: that sometimes people who shouldn't be apart are impossible together. This item ships from multiple locations. Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Comprehensive guide! It's this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
