Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

IPAD FOR BOOMERS

Cengage Learning, Inc. Paperback. Book Condition: new. BRAND NEW, Ipad For Boomers, Brian Proffitt, The Apple iPad is one of today's most popular technology/media platforms - a great computing and media-consumption device, particularly for those older adults who may be less inclined to spend time struggling with the complexities of the typical desktop or laptop computer. The iPad offers a unique and easy way to tie into the riches of the online world, for everything from managing your finances to entertainment, without having to master the peculiarities of a computer operating system. In "Ipad For Boomers", you'll learn all about the iPad's features, the best applications (apps) available for older users, and productive ways to use them. The iPad is tremendous fun, and it's also the perfect tool for exploring the internet, technology, and software that's aimed at your lifestyle.
