Forgotten Books. Paperback. Condition: New. This item is printed on demand. 170 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Excerpt from Assyria, Vol. 7: Its Princes, Priests, and People Among the many wonderful achievements of the present century there is none more wonderful than the recovery and decipherment of the monuments of ancient Nineveh. For generations the great oppressing city had slept buried beneath the fragments of its own ruins, its history lost, its very site forgotten. Its name had passed into the region of myth even in the age of the classical writers of Greece and Rome; Ninos or Nineveh had become a hero-king about whom strange legends were told, and whose conquests were fabled to have extended from the Mediterranean to India. Little was known of the history of the mighty Assyrian Empire beyond what might be learnt from the Old Testament, and that little was involved in doubt and obscurity. Scholars wrote long treatises to reconcile the statements of Greek historians with those of Scripture, but they only succeeded in evolving theories which were contradicted and overthrown by the next writer. There was none so bold as to suggest that the history and life of Assyria were still lying hidden beneath the ground, ready to rise up and disclose their secrets at the touch of a magicians rod. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
