

Lex Ferenda: A Constitution Modernization with Tea Party Bullets (Paperback)

Filesize: 7.51 MB

Reviews

Completely essential go through book. It really is simplistic but excitement inside the 50 % of the pdf. I am very easily will get a satisfaction of studying a composed book.

Piedmont Emporium, United States, 2011. Paperback. Condition: New. annotated edition. Language: English . Brand New Book ***** Print on Demand *****.This book concerns the Constitution of the United States and how it might be improved. It primarily covers law and political science topics, but supporting information necessitates some inclusion of related finance and economic subjects. The first chapter gives the early history of the Constitution and then reviews the works of eight authors who wrote books about needed revisions. The basic U.S. Constitution is annotated for areas of deletion of obsolete phrases and inclusion of present amendments and folded into the current document without meaning changes. The Constitution contains several items that applied in the late 18th century but are not applicable today. These items are updated to the 21st century with appropriate language. Some basic changes have been shown by modern polls to be favored by a significant majority of our citizens. The pros and cons of seven of these items are discussed, justified and reduced to constitutional language. These revisions are then incorporated into the Constitution. Recent history and the 2008-2011 financial crisis have called attention to the possibility that organizations, including the government and unions, are too large. Chapter 5 supplies language to solve this problem. This controversial chapter also gives an extended discussion of antitrust law and financial economics. Chapter 6: Solutions of the Elite: A book by John Vile, *Rewriting the U.S. Constitution*, 1991, brought together some 40 different authors ideas about Constitution improvement. This chapter analyzes the results but refrains from suggesting constitutional language or inclusion of topics not already covered in chapter 4 and thereby leaving ample work for a convention. No other knowable book attempts a scheme to organize and manage an unbiased Constitution convention. There are seven appendices providing extensive background...
