

A Solar Manifesto (Mixed media product)

By Hermann Scheer

Taylor Francis Ltd, United Kingdom, 2001. Mixed media product. Condition: New. 2nd Revised edition. Language: English . Brand New Book. In the decade since the Earth Summit in Rio de Janeiro, the response of the world's governments and authorities to the threats to the global environment has been to enforce the reduction of energy consumption and harmful emissions - solutions primarily based around conventional energy resources and conventional thinking. The question is, though, whether this strategy is radical enough to address the key challenges how facing the environment, and whether it can be effective in avoiding catastrophe on a global scale. For Hermann Scheer, the answer is a definite no. In this fully updated edition of A Solar Manifesto , he once more attacks the lack of political will to find answers outside a conventional frame of reference. Climate change, pollution, deforestation, destruction of the ozone layer, poverty and the population explosion are all problems created or exacerbated by the use of conventional energy. Seven years after the first edition of this book, answers are now more urgently required than ever, as current policies serve merely to alleviate the escalating symptoms rather than attempting a cure for what could...
