Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Glossary of Supposed Americanisms This little work was undertaken to show how much there yet remains, in this country, of language and customs directly brought from our remotest ancestry. It has been the assumed privilege of English travelers and authors to twit us upon the supposed peculiarity and oddity in our use of words and phrases. An examination of the language of their own country has convinced us that this satire was the result of ignorance: those who made it were unacquainted with the language and early literature of their own people, and thence very naturally supposed that what they heard here was affected, coined, or barbarous. The simple truth is, that almost without exception all those words or phrases that we have been ridiculed for using, are good old English; many of them are of Anglo-Saxon origin, and nearly all to be heard at this day in England: a difference of circumstances may have altered a little their application, but still not enough to render our mode of employing them at all absurd. It is, indeed, remarkable that we have made no violent or outrageous alterations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
