

The Road to Somewhere: The New Tribes Shaping British Politics (Paperback)

Filesize: 2.74 MB

Reviews

It is in a single of the most popular ebook. Better then never, though i am quite late in start reading this one. You will not feel monotony at at any moment of your own time (that's what catalogs are for about when you request me).

(Alphonso Flatley IV)

THE ROAD TO SOMEWHERE: THE NEW TRIBES SHAPING BRITISH POLITICS (PAPERBACK)**DOWNLOAD**

Penguin Books Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. SUNDAY TIMES, GUARDIAN, TELEGRAPH AND ECONOMIST BOOKS OF THE YEAR 2017 A provocative take on the UK s new tribal divisions . a book whose timing is pitch-perfect Andrew Marr Many Remainers reported waking up the day after the Brexit vote feeling as if they were living in a foreign country. In fact, they were merely experiencing the same feeling that many British people have felt every day for years. Fifty years ago, people in leafy North London and people in working-class Northern towns could vote for a Labour party that broadly encompassed all of their interests. Today their priorities are poles apart. In this groundbreaking and timely book, Goodhart shows us how people have come to be divided into two camps: the Anywheres , who have achieved identities, derived from their careers and education, and Somewheres , who get their identity from a sense of place and from the people around them, and who feel a sense of loss due to mass immigration and rapid social change. In a world increasingly divided by Brexit and Trump, Goodhart shows how Anywheres must come to understand and respect Somewhere values to stand a fighting chance against the rise of populism.
