OCLC Number: (OCoLC)56565553 Subject: Financial statements, Consolidated -- United States -- Accounting -- Evaluation. Excerpt: . . . To improve the likelihood that the departments current business 19 transformation efforts will be successful, we have previously suggested 20 that a chief management official position be created. Previous failed attempts to improve DODs business operations illustrate the need for sustained involvement of DOD leadership in helping to assure that DODs financial and overall business process transformation efforts remain a priority. While the Secretary and other key DOD leaders have demonstrated their commitment to the current business transformation efforts, the long-term nature of these efforts requires the development of an executive position capable of providing strong and sustained executive leadership over a number of years and various administrations. This position would provide the sustained attention essential for addressing key stewardship responsibilities such as strategic planning, performance and financial management, and business systems modernization in an integrated manner. This position could be filled by an individual, appointed by the President and confirmed by the Senate, for a set term of 7 years with the potential for reappointment. Such an...
