Linux Revisited: Update

By S B Asoka Dissanayake

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print, Updated. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.There may be lot of missing items in this book. I did not try to be comprehensive. Then it becomes a Linux Bible. I have avoided partitioning and hardware support deliberately. Little is changed in partitioning skills except the partitioning type. My only warning is be careful when choosing the new partitioning types. I tried to be bit narrative this time round instead of being analytical and scientific. The analytical approach was necessary when the Linux was in early stage of development and there was a hype in activity. Now it is on stable ground except where cutting edge changes are made in the hardware sector. It is mature and robust now. One has to make a choice depending on one s needs. I will summarize my subjective / objective selection for my use and the reader has to decide his / her own choices. If you are using it as a hobby one need at least two computers (I had 10) or perhaps three one being a laptop/netbook. One can be dedicated for testing....
