## COMPLETE CLASSIC CHICAGO BLUES HARP (PAPERBACK)

Mel Bay Publications, Inc., 2015. Paperback. Condition: New. Language: English . Brand New Book. This book is meant to take an instrument and musical style and teach it to the people who made it so popular, the blues listening public. A comprehensive lesson and study book for the intermediate and advanced diatonic harmonica player, *Classic Chicago Blues Harp* presents techniques, progressive examples and accompanying twelve bar blues exercise and examples. Special attention is given to the accurate reading of blues rhythms and each notated tune is carefully marked with tablature indicating precisely where to find individual notes. Each chapter concludes with a chapter review of what was taught in that section. Includes access to online audio. This book is best suited to the intermediate player rather than the beginner, and will appeal strongly to those with a genuine desire to learn the Chicago blues harmonica style. The book is excellent for self-teaching, yet is comprehensive enough to be used in a private instruction format. The included audio recording insures accuracy of interpretation and ease in learning. Most of the exercises and examples are included on the audio with split-tracked back-up music. Each song is played once with harmonica and then without. A great all-around study book for blues harmonica players at any level. Access to audio available online.
