Department Store Merchandise Manuals: The Cotton and Linen Departments (Classic Reprint) (Paperback)

By Eliza Bailey Thompson

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Department Store Merchandise Manuals: The Cotton and Linen Departments As reference books, librarians will find the short, clear statements and full indexes invaluable. As an encyclopaedia of merchandise the series contains scientific information in a simple, compact form which makes it available for children and others to whom the subjects treated are unfamiliar. As textbooks they are adapted for use in commercial schools, high schools, night schools, settlement classes, and by teachers of household arts and domestic science. AS source books for practical story-telling, kindergarten, primary and vacation school teachers will find in them an abundance of interesting material for Short true stories on the various industries and crafts, the manufacture of household articles, such as pins and needles, as well as the making of pottery, glass, and steel. These manuals contain just the material Often hunted for in vain by teachers and librarians; As household helps and Shopping guides the young housekeeper will find the manuals her best friends because they not only describe the manufacturing processes but tell her how to distinguish well-made articles of...
