LUCY: A POEM (PAPERBACK)

Sarabande Books, Canada, 2009. Paperback. Condition: New. New. Language: English . Brand New Book. Lucy / your secret book / that you leaned over and wrote just in the dirt-- / Not having to have an ending / Not having to last. . . . And so begins Jean Valentine s provocative new work, Lucy, a poem that pays homage to the three million-year-old skeleton of the earliest known hominid. With a deep sense of gratitude and profound longing, this poem celebrates the creative power of the female by introducing us to one of our oldest human ancestors. In a dreamlike and often fractured syntax that is vintage Valentine, Lucy, the wildgood mother of our species, can once again be heard.
