Reviews

This publication is worth getting. it was writtern really flawlessly and valuable. Its been designed in an exceedingly easy way and is particularly only right after i finished reading this ebook through which in fact altered me, affect the way i believe.
(Lester Ebert)

GRIMOIRE: A COMPENDIUM OF NEO-GOTH NARRATIVES (PAPERBACK)

Rebel Satori Press, United States, 2012. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book ***** Print on Demand *****.If all books are gateways to other realities, then Grimoire is a portal into a realm of the most profound darkness, a twilight world of black flowers thriving under the monstrous shadows cast forth across time by the writers and poets of the 19th-century French Decadence, the art of the Surrealists, and the weird fictions of H.P. Lovecraft and his acolytes. Each of the eleven stories, or Neo-Goth Narratives, which make up this collection presents the reader with a worldview of cosmic nihilism, a morbid atmosphere haunted by the revenants of the fin de siecle practitioners of black magic. Those who lose themselves in these sunless and Satanic vistas will learn arcane words of power, experience forbidden knowledge, and encounter fantastic and grotesque alien beings whose forms and powers we are unable to comprehend, whose very presence can drive one to insanity. Grimoire is no mere book: it is a 90,000 word scream from the Abyss of non-existence, a descent into Hell itself, a dream journal of God s nightmares. Let the Danse Macabre begin!.
