

The Lorax (Hardback)

By Dr Seuss

Random House USA Inc, United States, 2004. Hardback. Condition: New. Language: English . Brand New Book. Long before going green was mainstream, Dr. Seuss s Lorax spoke for the trees and warned of the dangers of disrespecting the environment. In this cautionary rhyming tale (printed on recycled paper) we learn of the Once-ler, who came across a valley of Truffula Trees and Brown Barba-loots, and how his harvesting of the tufted trees changed the landscape forever. With the release of the blockbuster film version, the Lorax and his classic tale have educated a new generation of young readers not only about the importance of seeing the beauty in the world around us, but also about our responsibility to protect it. From the Hardcover edition.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
