Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE WATCHMAN

Brilliance Corporation, United States, 2011. CD-Audio. Book Condition: New. abridged edition. 140 x 127 mm. Language: English . Brand New. Larkin Conner Barkley lives like the City of Angels is hers for the taking. Young and staggeringly rich, she speeds through the city during its loneliest hours, blowing through red after red in her Aston Martin as if running for her life. Until out of nowhere a car appears, and with it the metal-on-metal explosion of a terrible accident. Dazed, Larkin attempts to help the other victims. And finds herself the sole witness in a secret federal investigation. For maybe the first time in her life, Larkin wants to do the right thing. But by agreeing to cooperate with the authorities, she becomes the target for a relentless team of killers. And when the U.S. Marshals and the finest security money can buy can't protect her, Larkin's wealthy family turns to the one man money can't buy Joe Pike. Pike lives a world away from the palaces of Beverly Hills. He's an ex-cop, ex-Marine, ex-mercenary who owes a bad man a favor, and that favor is to keep Larkin alive. The one upside of the job is reuniting with Bud Flynn, Pike's LAPD training officer, and a man Pike reveres as a father. The downside is Larkin Barkley, who is the uncontrollable cover girl for self-destruction and as deeply alone as Pike. Pike commits himself to protecting the girl, but when they immediately come under fire, he realizes someone is selling them out. In defiance of Bud and the authorities, Pike drops off the grid with the girl and follows his own rules of survival: strike fast, hit hard, hunt down the hunters. With the help of private investigator Elvis Cole, Pike uncovers a web...
